## INTRODUCTION

I am a recent post-graduate currently employed at PricewaterhouseCoopers in Cape Town. I value the process of discovery through continuous learning and acknowledge the need for hard work and creative problem solving to get things done. As a professional, I am results-oriented, work well under pressure, and am encouraged by realistic, well-defined goals.

—

## EXPERIENCE

### PRICEWATERHOUSECOOPERS SOUTH AFRICA | [Associate I](#)

Jan 2022 – Present

- Participated in the IT auditing process which included the understanding and evaluation of IT general controls (ITGCs), evidence gathering activities, documentation, testing of controls using computer assisted tools, etc.
